PREPARES SHIPPING LEADERS
leasing their leadership potential

“Shipping is one of the major industries both in Greece and worldwide. The participation of shipping to GDP is calculated around €14.1 billion per year which corresponds to 7.9% of GDP, while in terms of employment, the effect is estimated at 86.3 thousand full-time work jobs. By fostering a high academic standard and embracing a hands-on approach, the BSc (Hons) in International Shipping ensures students develop a holistic understanding of every facet of the shipping industry.
